## MOROCCO · MAGICAL TERRITORY

Morocco is a country that is made up of multiple and varied beautiful landscapes made up of beaches, mountains, desert and important imperial cities.

Morocco is an ancient country, heir to centuries of tradition. However, in the Kingdom there is nothing fixed. Their culture is alive and is embodied day after day by small daily gestures, festivals, rituals and customs. Stay there for a while and soak up its peace and its art of living.

The best thing is that you walk through the cities and towns, among the narrow streets of their old centers. This way you will be very close to people and you can make exchanges with them. Some Moroccan will surely invite you to share a green tea with mint: there everything is ceremonial and hospitality reigns. You can also discover a whole series of customs. Morocco and its inhabitants evolve to the rhythm of the Mediterranean art of living recognized by UNESCO, a set of practices, dishes or symbols that are part of their daily lives and that you will love.

## DAY 1 : CITY OF ORIGIN - OUARZAZATE

Arrival in Ouarzazate. Transfer from the airport to the hotel. Accommodation. At the agreed time, departure to visit the Ait Ben Haddou kasbah, declared a UNESCO heritage site. The Kasbah Ait Ben Haddou perfectly explains the almost impregnable character of the ksour - as the fortresses are called in Morocco - and their interior distribution of alleys and houses with red walls, whose tones vary depending on the sunlight. One of the most famous Kasbahs for having appeared in major movies and series. Return to hotel, dinner and overnight.

## DAY 2 : OUARZAZATE - TINGHIR - ERFOUD -MERZOUGA

Breakfast and visit of the Kasbah Taourirt, located in the heart of the city of Ouarzazate. Later departure to Tinghir (169 Km) through Skoura, Valley of Roses, Valley of Dades. East of the Moroccan High Atlas Mountains, near the town of Tineghir, the Todra and Dades rivers have carved out a narrow canyon known as the Todra Gorge. The gorge presents its most spectacular form about 15 km from Tinghir. The huge rock walls are said to change color as the hours of the day go by. Free time in this place to discover it on your own. Continuation to Merzouga crossing the palm grove of Jorf and Erfoud where we will make a brief stop. Arrival in Merzouga, we leave the 4x4 vehicle to enter the desert mounted on camels towards the camp where we will spend the night in haimas and enjoy a typical Moroccan dinner. Dinner and night in a Berber camp in the middle of the dunes, where you can also listen to local music and watch the stars at night, from the camp itself or by walking a bit through the dunes.

Night in tent, under millions of stars.
